PROFESSIONAL EXPERIENCE

Department of Neurology, Keck School of Medicine of USC – Los Angeles, CA 2013-2016

Project Specialist

As a project specialist, I was involved in various research projects, health outreach events regarding stroke awareness and prevention, and helped with ACGME Accreditation of the Vascular Neurology Fellowship

LEADERSHIP AND SERVICE

Georgetown Experimental Medical Studies (GEMS) Mentor 2018-2022

GEMS Program is a post-baccalaureate program designed to equip under-represented and disadvantaged students for success in medical education.

Martha's Table 2019-2022

Assisted in grocery distribution, teaching cooking and health lessons to elementary school students at risk for food insecurity

Campus Bible Study 2018-2019

Led Bible Study twice a month for medical and graduate students

GUSOM Generation I Mentor Program 2018-2019

Organized and matched 18 mentor/mentee pairs for first generation medical students

Khmer Alumni Association 2015-2016

Mentored high school seniors, before becoming first in their families to attend college

Volunteer Health Interpreters Organization 2012-2013

Help interpret Khmer at local health events, and advocated for materials in Khmer for non-English speaking patients

INTERESTS

1. Family History Memoirs
2. Cooking Cambodian, Korean, and Italian dishes
3. Running/Dragon Boat Racing
